If it is proposed to sanction the additional nursing staff asked for, the Finance Dept will have to be consulted as it involves a permanent recurring expenditure, additionally, to the State. The rates of increments to the nurses of the several institutions are not all alike. The trained nurses of the Krishnarajendra Hospital and the E.D. Hospitals get Rs 5 increment in 3 years while those of the Victoria Hospital get Rs 5 once in 4 years. It is a point for orders as to what rate of increment should be sanctioned in the present case. This is one of the items in regard to which additional provision is requested for orders to be made in the budget for 1924-25

Secretary to Government,
Local & Legislative Departments.
BANGALORE.

Sir,

In continuation of my letter No.G.C.70-1 dated 5th March 1924, intimating that the Seethamma Ward of the Minto Ophthalmic Hospital was opened on the 29th February 1924, I have the honour to state that the Superintendent of the Hospital had reported in his letter No.508 dated 12th February 1924 that an additional establishment of one Nurse on Rs.55-5/3-77 and 3 ward attendants, two on Rs.15/- each and one on Rs.13/-, was absolutely necessary and that the same might be sanctioned, the cost being met from the general savings in the Medical Budget.

On being informed that unless he pointed out a definite source in the current year's sanctioned grant of his institution, it was not possible to consider his proposal, he has in his letter No.572 dated 12th instant, submitted a re-appropriation statement pointing out savings to the extent of Rs.129/- to meet the cost of the 3 ward attendats whose appointment is immediately necessary and has agreed to put off the appointment of the Nurse till the next official year.

At present there are 3 Nurses on one scale of pay, viz., Rs.25-1-35, with the usual ration and clothing allowance of Rs.12½. It is very necessary to remedy this defect by having a better trained Nurse on a higher scale of pay on the Establishment with the designation of Head Nurse. The scale of Rs.55-5

VI

55-5/3-77 proposed for this Nurse is what is drawn by the Staff Nurses of the Victoria and Krishnarajendra Hospitals and by Head Nurses of the Epidemic Diseases Hospitals and is very moderate The necessity for the additional ward attendants calls for no explanation.

As this is an urgent matter, I request that this proposal for increase of establishment may kindly be admitted as a special case for consideration after necessary verification by Comptroller, and sanction accorded to the entertainment of the 3 ward attendsts at once and the Head Nurse on or after 1st June 1924 and also to the reappropriation of the funds as proposed.

I have the honour to be

Sir,

Your most obedient servant,

J.B. Singh

Senior Surgeon.
